Many anglers do not have the time to join a fly fishing club and miss out on fly fishing programs. Give us a weekend and we will help get rid of those winter blues and show you what you're missing. Jack Dennis and Jeff Currier will be presenting teaching seminars on how to improve your fly fishing skills. A variety of subjects will be covered including streamer fishing, matching the hatch, Euro nymph fishing, fishing lakes and many more. On both days there will be different programs throughout the day. Each program will be less an hour with a break.
